

Cigna has partnered with MDLIVE to offer a comprehensive suite of convenient virtual care options – available by phone or video whenever it works for you. MDLIVE board-certified doctors, dermatologists, psychiatrists and licensed therapists have an average of over 10 years of experience, and provide personalized care for hundreds of medical and behavioral health needs.

What Does it Cost?

Virtual health visits are treated the same as a visit with a primary care physician. Members on the OAP plan will have a \$25 copay. You simply pay online at the time of service. Members on the HDHP will have a \$60 copay - the HDHP plan covers 90% after deductible. Members on the HDHP plan will pay 10% after the deductible. Prior to the deductible, members will pay out of pocket for the cost of the visit. Virtual care primary care visits are generally the lowest cost form of care.

Primary Care

Preventative care, routine care, and specialist referrals

- Preventative care checkups/wellness screenings available at no additional cost to identify conditions early
- Routine care visits allow you to build a relationship with the same primary care provider (PCP) to help manage conditions
- Prescriptions available through home delivery or at local pharmacies, if appropriate

Urgent Care

On-demand care for minor medical conditions

- On-demand 24/7/365, including holidays
- Care for hundreds of minor medical conditions
- A convenient and affordable alternative to urgent care centers and the emergency room

Behavioral Care

Talk to therapy and psychiatry from the privacy of home

- Access to psychiatrists and therapists
- Schedule an appointment that works for you
- Option to select the same provider for every session
- Care for issues such as anxiety, stress, life changes, grief and depression

Dermatology

Fast, customized care for skin, hair nail conditions - no appointment required

- Board-certified dermatologists review pictures and symptoms; prescriptions available, if appropriate
- Care for common skin, hair and nail conditions including acne, eczema, psoriasis, rosacea, suspicious spots and more
- Diagnosis and customized treatment plan usually within 24 hours
