Frequently Asked Questions

Do I need a Costco membership to use Costco Pharmacy services?

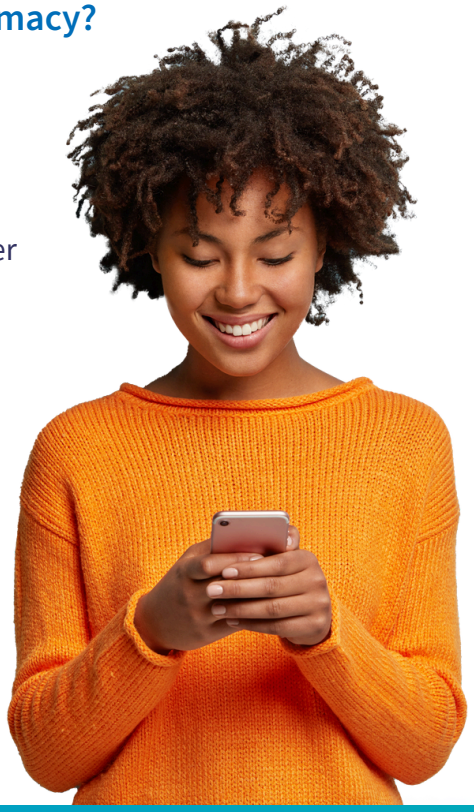

No, you do not need a Costco membership to use Costco Pharmacy services. Both members and non-members can purchase prescription medications at Costco pharmacies, whether in-store or online.

Is there a Costco Specialty Pharmacy Mobile App?

No. While there is no standalone mobile app, the member portal is fully mobile-enabled, allowing you to conveniently access your account using the web browser on your smartphone or tablet.

Can I ship my specialty medication(s) to a Costco Warehouse pharmacy?

No. Specialty medications typically require special handling, storage, and administration, which is why they can't be filled at most retail pharmacies, including Costco. Specialty pharmacies are equipped to manage these needs and provide important patient support services, such as coordinating refills, managing side effects, and ensuring proper usage. If you have questions about where to fill your specialty medication, your benefits team or pharmacy provider can help guide you to the right option. Please contact Customer Care by dialing the number on your ID card to discuss this in further detail. When dialing, follow the prompts for specialty pharmacy.
